

OLABISI ONABANJO UNIVERSITY, AGO IWOYE
FACULTY OF SOCIAL SCIENCES
DEPARTMENT OF GEOGRAPHY
2017/2018 HARMATTAN SEMESTER EXAMINATION

COURSE CODE: GRP 331

COURSE TITLE: PRINCIPLES OF TOWN AND COUNTRY PLANNING

INSTRUCTION: ANSWER ANY THREE QUESTIONS

TIME ALLOWED: TWO HOURS

.....

- ✓ 1. 'Town and country planning is the art and science of space organisation'. Elucidate and discuss this seemingly contradictory assertion.
2. Outline the '*Rational- Comprehensive*' and '*Incrementalist*' planning theories and discuss their strengths and weaknesses.
- ✓ 3. (a) Outline and discuss the steps in the 'citizen-participation ladder' in public planning process.
(b) Examine the factors that often prevent citizens from participating in the decision process in public planning in Nigeria.
- ✓ 4. (a) What are structure and master planning in city development process?
(b) Compare the master and structure plans as tools to provide decision guides for the built environment
5. Discuss the evolution and salient features of town planning laws in Nigeria from 1946 to date.
